

Gear Swap Table

Starting at the April 2011 meeting we're going to start a **gear swap table**. The idea is if you have some paddling related item you'd like to sell, bring it to the meeting for the table and put a price on it with your name. Everyone bring your check book and if an item catches your eye look up the owner and buy it directly from them. At the end of the meeting, owners of everything on the table, please take it home with you. We don't have the means to hold it.

Now if you have something like a kayak you want to sell, you can bring it to the meeting, but please do not bring it inside. The idea for this is really for the small items that you no longer have a use for, outgrew or bought and just never use.
